

Sales & Revenue Analysis

FUNCTIONAL REQUIREMENT DOCUMENT (FRD)

1. Document Purpose

This document outlines the functional requirements required to analyze sales data and present insights through dashboards to support business decision-making.

2. Stakeholders

- Sales Manager
 - Marketing Team
 - Finance Team
 - Business Leadership
 - Business Analyst
-

3. Functional Scope

The system should support:

- Sales data cleaning and preparation
 - Revenue calculation
 - Aggregation and summarization
 - Visualization and reporting
-

4. Assumptions & Dependencies

- Sales data is available at order level
 - Units sold and unit price values are accurate
 - Product, region, and channel fields are populated
 - Data is periodically updated
-

5. Functional Requirements

- The system should calculate revenue for each sales order
 - The system should aggregate revenue on a monthly basis
 - The system should allow analysis by product, region, and sales channel
 - The system should calculate average order value
 - The system should support exporting summarized data for reporting
-

6. Business Rules

- Revenue = Units Sold × Unit Price
 - Duplicate sales records must not be included in analysis
 - Revenue calculations must be consistent across all reports
 - Only valid sales transactions should be considered
-

7. Validations & Error Handling

- Duplicate records should be identified and removed
 - Missing or invalid values should be handled during data preparation
 - Revenue calculations should be validated using sample records
-

8. Non-Functional Requirements

- Dashboards should load within acceptable response time
 - Reports should be easy to understand for non-technical users
 - Data accuracy and consistency must be maintained
-

9. Acceptance Criteria

- Total revenue matches aggregated order-level data
 - Monthly revenue trends are accurately displayed
 - Top-performing products and regions are identifiable
 - Dashboards provide clear and actionable insights
-

10. Approval & Sign-off

Role	Status
Business Analyst	Approved
Sales Manager	Approved
Business Leadership	Approved
